Dave Bradley is stepping down as Foothills Nordic Ski Club's Head Biathlon Coach at the end of his term on April 30, 2010. Dave started coaching with Foothills in 2001 and has been our Head Coach - Biathlon since 2006. Over the years, Dave's work ethic has been second to none and he consistently performed exceedingly well doing what he loved best – working with youth. To his athletes, Dave has been an outstanding mentor and role model.

Dave has represented both the club and the sport with dignity and class. He has been formally recognized for his accomplishments by both Biathlon Alberta (Coach of the Year, 2007-2008) and Biathlon Canada (Coach of the Year, 2008-2009).

On behalf of the club's athletes and parents, I extend to Dave a most heartfelt thank you for all of his efforts and wish him the very best in the future.
