

Welcome to Camrose

The Camrose Ski Club is pleased to welcome visiting teams to Camrose. The stage is set for a great biathlon race! Located in the heart of rural Alberta, Camrose is an active community with an extensive trail system with trails that are fit for beginners, experts and everything in between. The city of Camrose is home to Augustana, a campus of the University of Alberta, where students can study while continuing to train and compete in their respective sports.

Founded in 1911 by Scandinavian settlers, Camrose has a population of 17,000 and a trading population exceeding 100,000. The Camrose Ski Club is one of the oldest clubs in Canada. In the early days of the club, ski jumping was the event that drew crowds to Stoney Creek Valley; since then the club has grown and now offers cross-country skiing, triathlon, biking, running, and biathlon.

Covid-19 Contact: TBA

These races will be conducted under evolving Covid-19 Protocols, and are subject to change and/or cancellation at any time. Coaches will be updated as the situation evolves or changes.

PLEASE NOTE : As per Biathlon Alberta Hosting Policy Annex 2021-22 Covid-19 : All biathlon participants that are eligible (12+) must be fully vaccinated (14 days after 2nd dose) by the start of the event or provide negative PCR test <72 hours from event.

Please read the Covid-19 Protocol section carefully to ensure a safe and trouble free event.

Competition Covid-19 Protocol

Participant Criteria: To participate in this event, all participants (coaches, athletes, officials, volunteers) must register on zone4. A voluntary upload of participant proof of vaccination (QR code) will be requested upon registration via Zone4. Participants not wishing to provide an upload of their QR code or valid negative PCR test online at time of registration will have to provide this proof in person prior to participation in an event.

I acknowledge the following:

If I am vaccine eligible, I will be fully vaccinated (14 days after 2nd dose) or will provide a negative PCR test no older than 72 hours prior to the first zero session for my event. I agree to voluntarily upload my QR code in my zone4 registration or will present my QR code or negative PCR test prior to the event start. This will allow participation for the duration of the event. If I am unable to provide this information, I will be unable to attend or participate.
OR

If my child is not yet vaccine eligible (for anyone <12+ years old) they will not have to show proof of a negative PCR test, however, the child should always wear a mask unless skiing or on the shooting mat and maintain a physical distance of 2m.

Proof: All participants must also carry paper or electronic proof of vaccination or negative PCR test, except while in active competition, and be prepared to show it if asked. Participants are strongly encouraged to use the Alberta QR code for vaccination proof available at [Alberta Covid Records](#). Participants could be asked to provide proof of vaccination or negative PCR test at any point in the competition and Biathlon Alberta will also be doing spot checks during the competition.

Daily Health Checks: Participants must also do a daily health check as per AHS and must not attend the event if they have any symptoms of Covid-19.

Masking: Masks MUST be worn at all times indoors. Biathlon Alberta recommends participants should always wear a mask outdoors and MUST wear a mask outdoors when 2m physical distance can't be maintained.

Athlete, Coach, Volunteer Check-in and Bib Pickup at Screening Station: The screening station and bib pick up will be located outside the timing building. One coach representative from each club must check-in and collect bibs. Athletes that have not uploaded their QR code in their registration or will provide a PCR test result have to pick up their bibs in person. Bibs will only be provided upon the receipt of proof of vaccinations or negative PCR test. Bibs will not be given to those who have not provided required participation criteria. Children who are not yet eligible for vaccination will have their bibs pick-up by the coach representative.
