VP Technical Report
Jason Nishiyama, September 2021

Membership Highlights:

Total membership in Biathlon Alberta for the 2020/2021 season was 237 members. This is down from 453 members the previous season though this is likely due to COVID cancelling the racing season.

There were only 24 officials registered for the year, which again is likely due to COVID cancelling the season. Last year there were over 230 registered officials.

Calforex Highlights

Due to COVID there were no Calforex Races.

Canadian National Championship Highlights:

Unfortunately due to the COVID pandemic, Canadian National Championships were cancelled this year.
