Calgary, January 12, 2022

Attention athletes, parents, officials, volunteers and coaches:

Beginning immediately for Calforex Cup #4 in Camrose, AB this weekend we will be mandating all persons attending the event wear a mask **at all times** *except when actively competing in a race (this includes the warm up and cool down)*. In the past this has been a request at our events, and now we are moving into a directive as we work diligently to help contain the spread of COVID19, in particular the Omicron variant, which has been proven to be highly contagious.

Additionally, all attendees of the event will be required to fill in an online form regarding their health each morning prior to the start of the event. The form will be emailed to the address you have provided in your zone4 registration each morning before the event. You will be unable to attend the event if you do not fill out the form in advance of arriving on site, or at first arrival on site.

Biathlon is a wonderful way we can maintain our physical and mental health, especially in these challenging times. We want to ensure everyone connected to our sport can continue to reap many of the benefits of outdoor activity in the winter, and can do so if we continue to keep our entire population safe. We may adopt additional health and safety measures in the coming weeks and months, please stay tuned as continue to manage the current situation.
