The primary goals of the coach selection process are to ensure an optimal experience for athletes, and within the constraints set by CWG, provide opportunities for coaching development and mentorship. For this, Biathlon Alberta is looking for a new male coach to lead our team alongside the female coach to the 2023 Canada Winter Games.

Team Alberta staff for the Canada Winter Games will consist of three persons, including:

- **One female coach and one male coach**
 - Both coaches must be **certified** at either Level 3 (old NCCP) or Competition Development (new NCCP).
 - Coaches must be so certified no later than 90 days prior to the opening ceremony (November 20, 2022 deadline).
- **One wax technician** (male or female)

All coaches meeting the NCCP requirements outlined above, or able to fulfill the NCCP requirements outlined above by November 20, 2022, are encouraged to apply.
