

# CRAZY MARE RANCH ALL ATHLETES SHOOTING CAMP

## You had me at Crazy Mare, when and where?

Athletes that shoot .22 Caliber rifles are welcome to join us for an instructional weekend May 27-28, 2023. Best suited for Dev 2 and up. We are interested in helping you improve your shooting skills. We will focus on the fundamentals that you learn in your current club and reinforce those good shooting habits. Are you new to the sport of biathlon? You are welcome to join us. Our range has eight shooting lanes and is located 36 kilometers west of Barrhead, Alberta. Bring your camper or tent and camp at the Crazy Mare. Saturday orientation over coffee will begin our day, then shooting instruction in the morning. After lunch, gravel bike ride followed by a potluck. Sunday morning shooting instruction will round out your weekend. Don't miss out! Come make new friends, shoot, and ride with us! We look forward to seeing you at the ranch.
