**BIATHLON ALBERTA – MEMBERSHIP POLICY**

All participants in events, camps, clinics, competitions, and other programs sanctioned by Biathlon Alberta must be members of Biathlon Alberta. Individual and Club memberships in Biathlon Alberta are effective upon receipt of all required information, documentation, and applicable fees, and expire annually on a date determined by the Board.

Clubs are responsible for ensuring all active athletes, coaches, and officials are members of Biathlon Alberta.

**Try-Out memberships** are sold to those persons who are otherwise not members of Biathlon Alberta and are intended to afford persons new to biathlon the opportunity to compete without purchasing an annual membership.
Regardless of the situation (camp, clinic, or competition), a person may purchase no more than two Try-Out Memberships in any given membership year.
